HAROLD E. MAGNUSON

THOMAS R. RAWSON

## False Burglar Alarm Sunday

A faulty burglar alarm was the cause of much excitement in Arlington center, Sunday afternoon.

At 4:15 p.m. the burglar alarm of the Harvard Trust Company bank, Mass. ave., Arlington center, sounded. Two police cruisers and a

score of patrolmen were dispatched to the scene.

Scores of people, taking their Sunday afternoon walk were startled as sirens screamed and policemen poured into the center.

After investigation, it was determined that water leaking from the roof poured onto the wires of the burglar alarm causing it to be set off.

## Arrest Nine In Raid At Laurel St. Home

Nine men were arrested and hundreds of dollars worth of gambling equipment was confiscated, Sunday night, when Arlington Police, led by Chief Archie F. Bullock and Lt. James Flynn, raided an alleged gambling den in the cellar of a two family house at 27 Laurel street, Arlington.

Sunday night at 8:15 p.m. Chief Bullock, Lt. Flynn, inspectors John Hourihan, Tom Curran, St. George Fitzgibbons and three patrolmen went to the Laurel street address.

Sgt. Fitzgibbons went to the front door of the house, which was owned by Russell P. Cook, who lived on the second floor, and pressed a bell button which had been secreted under the regular bell. The buzzer, which opened the door, sounded and the sergeant walked into the cellar of the home.

The cellar was divided into three rooms the first of which, according to police, was a bar with six booths. There were a few men sitting at the bar drinking. Sgt. Fitzgibbons walked through the bar into a second room which contained slot machines. No one questioned him, as to who he was or what he wanted, apparently thinking that he was another customer. The third room was a card room containing three poker tables.

As Fitzgibbons entered the slot machine room one of the gamblers hit the "one arm bandit" for a few nickles. The sergeant scooped them up and was immediately admonished by the man who said, "Hey that's my dough". Fitzgibbons replied, "No it isn't, it belongs to the Town of Arlington", with which

(Continued on Page Two)

## To Control Speeding On Concord Turnpike

As a result of Henry E. Keenan's efforts to control the speed on the Concord Turnpike, the Representative has received a letter from Registrar of Motor Vehicles, Rudolph F. King.

The letter is as follows: Honorable Henry E. Keenan 66 Palmer Street Arlington, Massachusetts Dear Representative Keenan, If you care to drop in to my office any time, I shall be glad to show you Supervisor of Selective Enforcement, Hugh F. Strain's report, which bears out all your contentions. However, I am sure you will be pleased to find that progressive steps are under way and I am expecting a report from the engineers of the Public Works Department

any day now. As soon as it comes, my men will go out to double check from the safety angle, after which there will be a hearing held. Following the hearing the Commissioners and the Registrar will determine the necessity for speed zones and the erection of speed signs.

You may rest assured that we at the Registry will act promptly on our part of the program so that there will be as little delay as possible. However, when all this is done, we shall need enforcement; I can assure you that Registry Inspectors will do their share.

Kindest personal regards, Rudolph F. King Registrar

## University Club To Hold Dartmouth Alumni Night

The University Club of Boston will hold a Dartmouth "Alumni Night" on March 16 at 6:30 p.m. it was announced by Mr. Anthony G. Muello, 67 Newport st., Arlington.

ton, who is a member of the dinner committee. All Dartmouth Alumni are invited to attend the dinner and entertainment.

Topping the evening's speakers will be Bob Monahan of the Dartmouth Outing Club, who will also show "Dartmouth Out of Doors" in color, Harold McGrail, famed golf pro, and Eddie Adonis, the former boxer, will complete the program.

A fish chowder dinner will be served at 6:30 with the entertainment getting under way at 8:00 o'clock.

## Fire Destroys Old Farm Building Here

## Traffic Handicaps Firemen As Hundreds Rush To Sunday Blaze In East Arlington

A fire accompanied by thick black smoke and fanned by heavy winds, destroyed the head house of the old Lyon's farm on the corner of Elm-hurst road, and Mass. ave., attracting many hundreds of people who caused a bad traffic jam on Mass. avenue, Sunday afternoon.

The first alarm of fire was sounded at 3:20 p.m. following a call from a Mass. ave. resident who complained of heavy smoke in that district, Chief Richard J. Tierney dispatched all of his apparatus to the scene, but being hampered by heavy traffic and scores of people, the fire was out of control and sending sparks in all directions before the first hose line was laid.

According to the Chief the fire would have just been a routine thing on a calm day, but heavy winds which swept the fire, kept the smoke low and sent flying embers to the roofs of nearby houses.

Other than this said the Chief I would probably have let the building burn to the ground and saved a future trip. Officials at the scene said that the fire was apparently lighted by boys who wanted to see the fire trucks in action.

People from miles around added to the confusion when they parked their cars in every direction causing a bad traffic jam on the avenue. One spark chaser was quoted as saying, "I thought half of the East end was on fire when I saw the smoke."

The building was of wooden structure and was used to heat the greenhouse, when the farm was in operation. However, the greenhouses have all been torn down and the land is for sale now.

Recall was sounded at 4:45 p.m. after the building had been completely gutted and danger of further fire was eliminated.

## Name Alderson To Salvation Army Advisory Board

Herbert O. Alderson of Arlington has been elected to The Salvation Army Greater Boston Advisory Board, it was announced.

Mr. Alderson, a resident of Arlington for 32 years, was district chairman of Arlington, Bedford, Burlington, Lexington, Winchester and Woburn in the past Greater Boston Friendly Appeal.

A former chairman of Arlington's Army campaigns, Mr. Alderson has been active in town and civic affairs in Arlington for the past 15 years.

He was president of the Arlington Lions Club in 1942-1943, president of Men's Class, First Baptist church for 1948-1949 and a town

meeting member for over 15 years. In 1938-1939 he was assistant secretary to Governor Saltonstall and was secretary to the chairman of the Board of State and Public Utilities in '34.

He is special account representative for the Standard Register Co., of Dayton, Ohio.

Other members appointed were State Senator George J. Evans of Wakefield, Attorney Douglas Ley, Belmont; Mrs. Edward Godfrey Huber, Waban; and Louis Oreni, Norwood.

Arlington voters solidly endorsed the independent candidacy of two major independent aspirants for political office here in Monday's election, turned in several upsets of so called "Citizens' Committee" slate, and by a narrow margin defeated a measure to revise the governmental set-up of the town of Arlington.

Harold E. Magnuson of 10 Up-land road and Edmund L. Frost of 74 Old Mystic street soundly defeated their "endorsed" opponents as more than 12,000 Arlington voters went to the polls in the annual election.

Thomas R. Rawson, who lost his campaign by a solitary vote last year, won the race for the Board of Public Works by a wide margin, surpassing the total vote of his two opponents.

Franklin W. Hurd of 10 Newton road, provided a major upset as he captured the post of Park Commissioner for three years over three rivals, including the candidate of the committee.

Ernest R. Brooks edged out Joseph J. Carroll of 29 Wyman terrace, for the Board of Health by a 378 margin, closest of the major races.

Roscoe O. Elliott of 1 Windmill Lane and Francis Keefe of 1 Richmond road, both seeking re-election were returned to the Board of Trustees of the Robbins Library for a three year term.

School committee members chosen were M. Norcross Stratton and John P. Morine, the former of 17 Trowbridge street and the latter of 12 Frost street, and Mary K. Boyd. Mr. Stratton and Mr. Morine were re-elected, while Mary Boyd is a new member of the board. All were endorsed by the citizen's committee.

Mr. Magnuson received a total of 6,565 votes to 4,524 for his opponent, Mr. Harris. Mr. Magnuson opposed the citizen's committee candidate, ran a very active campaign in all parts of the town, and

won a most impressive victory. Mr. Frost, too proved that an energetic campaign in the community would go a long way toward turning the official tide. He captured 6,901 votes to 4,337 for Mr. Stephen S. Donoghue of 35 Hodge road, his endorsed opponent.

## ARREST-

he showed the very startled gentleman his badge and advised him that he and his friends were under arrest.

Chief Bullock with the other police officers were let into the building and the wagon was summoned.

Russell P. Cook, owner of the home, was arrested and booked on charges of maintaining a gaming nuisance and selling intoxicating liquors in the Town of Arlington. Eight other men were also arrested and booked on charges of being present where gaming instruments were being used. They were, Gordon M. Robertson, 24, 68 Webster road, Arlington; Russell A. MacEachern, 34, 66 Winslow rd., Som-

erville; Arthur T. O'Leary, YMCA, Cambridge; James J. Harrison, 23, 35 Packard ave., Somerville; Francis X. Conroy, 22, 6 Gerard terrace, Cambridge and Lawrence Bean, 23, 6 West st., Somerville. They were all held for court Monday morning, where all cases were continued for one week.

Chief Bullock said, "This was the culmination of many months of investigation and although not the biggest raid we have ever made, it was a good catch."

Monday morning when inventory of the contraband was taken, three pin ball machines, five 'one arm bandits', five slot machines, 15 cases of beer, five cases of liquor, 100 packs of cards, three poker tables, a juke box, a television set, a bar with six booths and an ice box along with many other incidentals were recorded and destroyed by Arlington Police.

Patrolmen Greeley, Sewall and Bradley assisted Lt. Ryan in the raid.

## 317 APPRECIATION

WALTER S. COOLIDGE, JR.

The Arlington Press, Arlington, Massachusetts Gentlemen:

I wish to thank, through your paper, all of my friends and helpers who aided in any way to make my re-election to the Board of Assessors possible. It is most gratifying to know that I have so many friends.

If I can be of any assistance to anyone pertaining to my Office as Assessor, do not fail to call on me.

Thank you.

Sincerely yours  
(Signed) Walter S. Coolidge, Jr.

## Donoghue Offers Congratulations To His Opponent

In a statement to the newspapers after 6 of Arlington's 14 precincts were counted, Stephen S. Donoghue the Arlington Citizen's Committee candidate for selectman, thanked the many workers who took part in his campaign, conceded the election to his opponent, Edmund L. Frost, and congratulated the new selectman.

"It is apparent from the early returns that Mr. Frost has been elected," he said, "I congratulate him on his victory and wish him a successful administration. I know that Mr. Frost, chosen by his fellow citizens, will serve Arlington well." Mr. Donoghue continued, "I believe that the many people who took part in my campaign deserve a great deal of praise. I have never before worked with a group that has been willing to put so much time and effort into the election of qualified candidates and the continuation of good government. Since I will not be able to thank each of them personally, I want them to know that I'm truly grateful."

Later when told of his large vote, Mr. Donoghue remarked, "I am impressed by their confidence and thankful for the support of all those who voted for me."

## ENGAGED

Mr. and Mrs. Joseph Poirier of 66 Park avenue extension, Arlington, announce the engagement of their daughter, Joan, to Robert Caldwell, son of Mr. and Mrs. Leo Caldwell of 236 Highland avenue, Arlington. No date has been set for the wedding.

## Mother and Baby Doing Well

Expectant mothers learn how to bathe baby painlessly and happily in a special Red Cross home nursing course in Mother and Baby Care.

## Truck and Street Car Collide

A M. T. A. streetcar operated by David Mahoney, struck a truck which in turn struck a Buick sedan, Wednesday afternoon at 1301 Mass avenue. No one was injured.

The truck driven by John Lyons, 92 Cedar St., Dedham, was making a right turn on Mass. ave., when it was struck by the street car. The collision caused the truck to swerve into a Buick sedan, owned by Ralph H. Hudson, 68 Varnon street, Newton, which was parked on the ave.

## BADMINTON PROGRAM

Badminton classes will once again be held at the Lowe Auditorium on Tuesday evenings beginning next Tuesday, March 14th 1950. All who are interested in this program should make an effort to attend the first class.

## Hospital Report Reveals Deficit Of \$57,508.21 For 1949; Costs On Increase

A deficit of \$57,508.21 and an operating loss of \$50,432.93 were announced in the annual report of the Symmes Arlington hospital, released by E. Vernon Rich, administrator.

The lengthy report, much of which follows, illustrates that while the revenue at the hospital increased over 1948, costs also advanced considerably, and slow collections added to the financial problems at the hospital.

Total hospital earnings for 1949 were \$323,308, as compared with \$239,181.90 in 1948. However, deductions from this sum amounted to \$24,950 for losses on state and town cases, industrial accident cases and Blue Cross cases, as well as courtesy allowances, bringing the net hospital earnings to \$298,357.49.

Costs of operating increased from \$245,226.85 in 1948 to \$348,790.42 in 1949. With the new Francis E. and Mabel E. Thompson Wing, the facilities of the hospital were increased considerably. An additional cost of \$15,031.83 for capital expenses brought the total loss for the calendar year to \$65,464.76 while advances of endowment fund income amounting to \$29,295.05 were reported.

Parts of the general report as submitted by Mr. Rich follows: **ANNUAL REPORT FOR THE YEAR 1949**

We cannot anticipate a year with more problems, more activity, and at the same time more gratifying returns than the year just completed.

We began the year with a Public Campaign for Funds to erect the Thompson Wing. This four and one half month campaign was only two-thirds successful in reaching our goal of three hundred thousand dollars but we feel it was one hundred per cent successful in getting our hospital picture before the public and making our area far more conscious of the importance of our service to the community than could have been done in any other manner.

The Francis E. and Mabel E. Thompson Wing was opened to the public on September twenty-fifth for inspection and for the admission of patients the following day. By this opening we saw the hospital grow to double its size at the beginning of the year and able to accommodate almost fifty per cent more patients. The added features in obstetrical service, pediatrics, and dietry, together with the piped suction and oxygen to the various nursing units have enhanced the facilities available for public service to a tremendous degree.

The reinforced concrete roof was poured on January twenty-first and our new annex stood ready for interior finishing. The weeks and months that followed presented all of the problems tangent to constructing an addition to a hospital which is still rendering patients care. The noise of construction and the required coming and going of workmen and materials was held at a minimum by the very excellent cooperation of the contractors. The problem of having some beds closed for patient care over extended periods of time worked a very definite hardship on us during the months of normally heavy census; indeed, because of it, there were fewer days service than in previous years despite an increase in the number of admitted patients, practically during the last three months of the year.

We have experienced a very distressing financial year; our expenses were up as we had anticipated at the beginning of 1949, but

income from patient care did not meet expectations of twelve months ago.

### NURSING SERVICE

We believe our Nursing Service to patients has been comparable to any hospital of our size and better than some. During the early Spring and throughout the Summer additional personnel was hired into Nursing Service, anticipating occupancy of the new facilities in the middle of July. The unexpected delay in opening the new patient facilities made our average cost for Nursing Service increase considerably over what was anticipated. The salaries of personnel on the payroll for Nursing Service in the Thompson Wing was not offset by patient income following the availability of these new rooms for patient care.

The Thompson Wing provides for Obstetrical Service which are up to present day standards. The preparation room, labor room and delivery rooms give our institution the very best physical set-up that engineering and medical science has been able to develop. The newborn infant nurseries have proven quite successful in the care of the newborn; on two different occasions during November and December we were caring for five premature infants in heated cribs and bassinets. During these periods of time one of the nurseries was completely converted to a premature nursing unit.

The Pediatric Department has experienced a marked increase in the number of youngsters cared for since the completion of this segregated service on the first floor of the Thompson Wing. One of our Staff Nurses returned to the Boston Floating Hospital for post-graduate training so that she might assume the duties of Head Nurse in this important department.

Alfred Weller, M.D. has served as Chief of the Pediatric Division throughout the year. He is in charge of Pediatrics and the Newborn Infant Nurseries. Our thanks to Dr. Weller for his untiring and conscientious care of these young patients who have come under his supervision and for his services to the hospital.

Many nursing administrative changes were made during the year with considerably better coverage on the Head Nurse and Assistant Head Nurse level, to facilitate constant supervision of patient care. The following appointments were made:

Miss Mary Boyle, R.N., Medical Supervisor; Mrs. Jean Nobles, R.N., Head Nurse in Obstetrics; Mrs. Elizabeth Graham, R.N., Head Nurse in Nurseries; Mrs. Shirley Mango, R.N., Assistant Head Nurse in OBS in charge of Delivery and Labor Rooms; Mrs. Grace Keefe, R.N., Head Nurse in Thompson Wing, Floor 2A; Mrs. Irene Waterman, R.N., Head Nurse in "B" Building, Floor 2B; Miss Barbara Haimkin, R.N., Head Nurse in Pediatrics.

### MEDICAL RECORDS

The new Medical Records Room and Doctor's Library was occupied the latter part of September.

Mrs. Frances Bateman, who had been trained through the courtesy of the Malden Hospital in the Medical Records Library of that institution, assumed the position of Medical Records Librarian on September 6, 1949 and became a junior member of the Eastern Massachusetts Association of Medical Record Librarians on December 8th.

The Standard Nomenclature of Disease and Operations was placed into service. Cross-indexing has been instituted.

The cooperation of every member of the Medical Staff in this change over to Standard Nomenclature has been given wholeheartedly.

Increased efficiency in the Department and the overall picture of adequate and acceptable standards of Medical Records Filing has been realized during this year.

We feel that serious consideration should be given to microfilming of the old records. The possibility of photostating copies of medical records, rather than typing them from the medical files as currently done, should also be considered. Microfilming would be done on all patient records since the beginning of the hospital services and would come up to about seven years of the current patient records. The requirement for copies of medical records ordinarily does not go beyond seven years; therefore the combined program of microfilming and photostating should increase the efficiency and, we believe, in the long run would become a saving to the hospital.

### DEPARTMENT OF RADIOLOGY

Lawrence Anderson, M.D. has served as Chief of the Radiology Division throughout the year. The Department has been a very active patient service with Mrs. Jane Sullivan, Registered X-Ray Technician, joining our staff in August and Miss Nan Stoffregen serving as the Assistant Technician during the entire year. Miss Virginia Holmes has served as Secretary and Receptionist in the Department for the past fourteen months. We are pleased with the cooperation of all the people in this department. Contact with our admitted patients as well as our ambulatory out-patients has been excellent; their continuing good work in a busy department without adequate facilities is deeply appreciated. We hope to see considerable re-vamping of the department in the foreseeable future.

During September we began a survey of all obstetrical admissions in cooperation with the Arlington Tuberculosis Committee. During the balance of the year, all obstetrical patients were given free X-Rays. We are grateful to the Arlington Tuberculosis Committee for sponsoring and paying the cost of this program. We feel it has been a service to our obstetrical patients which has been appreciated by them and by their attending physicians.

### LABORATORY DEPARTMENT

The Laboratory Department has shown the greatest increases in clinical activity of any department over the past year. We now have a technician on duty from 7:00 a.m. until midnight and a technician on call in the hours after this time.

On September first, Miss Dorothy Polley, Registered Technician, was employed as Head Technician in the department. Miss Marjorie Kerr has been with us as a Registered Technician throughout the year and Mr. Thomas Louder, Jr., joined the staff in July. Mrs. Elizabeth Corkum, a Registered Technician has covered the Laboratory between the hours of 4:00 p.m. and midnight. Following instructions and training by Dr. Anderson in the X-Ray Department, Mrs. Corkum is now able to give us coverage for the usual type of emergency film required for accident work.

At the present time we continue sending our surgical specimen into Boston where they are analyzed and reported to us on all surgical procedures; we thoroughly feel the lack of active supervision by a pathologist in the Laboratory. We believe we are approaching the time when some steps must be taken to secure more active coverage by a part time resident pathologist.

We anticipate in the immediate future the establishment of a Blood Bank in cooperation with the State Blood Program of the American Red Cross and the Arlington Chapter of the American Red Cross for further and more efficient service to patients at our hospital. The bulk of the additional work will fall on the Laboratory Technicians and on the physicians who shall serve as supervisors of the Blood Program.

### PLANT OPERATION

During the year we found it desirable to separate Maintenance from the Plant Operation account.

The Plant Operations account carries only salaries of the firemen and engineer, fuel, utilities and major building improvements.

The new boiler room, with its automatic oil-fed boilers was placed in operation the middle of May. We have had too short an experience using oil to determine its relative merits with the cost of coal but feel it will undoubtedly be within normal limits of previous years. Certainly the cleanliness and efficiency of the plant is considerably enhanced by the change-over to oil.

**HOUSEKEEPING—LINEN AND LAUNDRY**

Housekeeping has been increased in fairly adequate proportions to the added work of the enlarged hospital and, with the cooperation of the Maintenance Department the costs have been held relatively low. Laundry costs have increased over 1948 to about the figure we had anticipated for the year. Our present laundry should have some additional equipment to replace various machines which have been in service for many years.

Linen costs have gone up considerably, quite largely due to the opening of the new patients unit. The Woman's Aid Association has spent over eleven hundred dollars to keep us supplied with linen requirements. Because of enlarged

plant, and independently of the Woman's Aid Association, the hospital has had to increase linen purchases over previous years.

**NURSES' HOME**

During the year we have been able to replace some furniture in many rooms. There has been a progressively increasing number of people living in the Nurses' Residence. This building still is in need of considerable maintenance work and efforts will continue to bring the Nurses' Residence up to a cheerful and efficient home for the employees living on the grounds. We feel this structure must be painted on the outside during the next year and some miscellaneous and minor equipment are still a requirement in the Nurses' Residence.

### DIETARY

The Dietary Department was moved from the "B" building into the new dietary area on the ground floor of the Thompson Wing on September twenty-fourth. The generous donations of the Medical Staff to our Building Fund established this sorely needed facility.

The added patient load and the increased number of patient meals served to personnel has placed a very large work load on this department. The number of employees in the Dietary Department has been increased by a high percentage. The addition of a Chef and an Assistant Chef has resulted in better food and in our opinion considerable saving in raw food.

**GENERAL MAINTENANCE**

Mr. Ted Lorenzetti has served as Maintenance Supervisor since May. It is so easy to overlook the importance of this department to the overall functioning of the hospital. We take for granted the place is clean; we fail to consider that to have floors, windows, walls and equipment presentable requires constant vigilance and untiring efforts. Many hundreds of people coming in and out of the hospital in a single month requires mopping, polishing and dusting of almost unbelievable proportions. We certainly have a most cooperative group of men working in this department and commend them for their assistance, interest and efforts.

### ADMINISTRATION AND GENERAL COMMENTS

A forty-one and a quarter hour week went into effect on February first, 1949 and it became necessary to slightly increase personnel for complete coverage.

Our Information Office and Switchboard is now on a twenty-four hour a day basis and the Admitting Office is covered sixteen hours a day. The opening of the Thompson Wing practically doubled the amount of work required for admission and discharge of patients as well as the necessary accounting.

During the year steps to simplify Admitting Office procedures and to

revamp the internal requisition and charge system in all departments were begun. This program should be completely realized during the year 1950.

There have been notable increases in telephone expense because of the additional cable to the hospital required by the added patient load.

The insurance coverage at the hospital has been greatly amplified under the supervision of Mr. Maurice L. Hatch. We have experienced a remarkable increase in insurance premiums but feel at the present time our insurance coverage is fairly adequate.

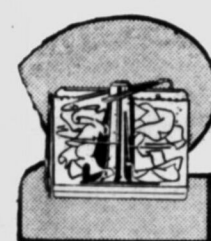

Following through discussion it was deemed advisable to use an outside agency to collect some of the long standing and inactive accounts of the hospital. The Carter Business Service of Boston was retained in November to handle these accounts. It became increasingly difficult, if not impossible, for the hospital to continue billing patients month after month and receiving no response. The lack of a social contact outside the hospital does not permit us to determine the financial position of the patient unless someone is able to get into the home.

The men of Carter Business were interviewed on different occasions by the President of the Board, members of the Executive Committee

## Somerville Takes Locals By 56-34

Somerville high school's tournament bound basketball team enjoyed a warm-up game with the Arlington high school quintet last week, and came in a 56-34 victor over the locals. It was the last outing before the state tournament for the Somerville five.

As usual Ronnie Perry, Somerville ace, led the way with a dozen points, but no less than 10 men took part in the scoring of the victors. Swanson and Shirley paced the Arlington five which was outclassed all the way, and outscored even by the reserve Somerville outfit.

The Summary:

Somerville (56)

## ANNUAL AMATEUR HOOP TOURNEY ON AT CHARLESTOWN

The 27th Annual Amateur Basketball Tournament sponsored by the Boy's Clubs of Boston will begin on Saturday, March 25th, 1950 at the Eben D. Jordan Memorial Gymnasium, Charlestown, under the supervision of "Bill" Duffy, Physical Director.

Teams will be classified in six divisions according to weight and age. The classes are as follows:

Seniors, weight unlimited; Intermediates, 130 to 145 pounds; Juniors, 115 to 130 pounds and not to exceed 18 years of age; Cubs, 100 to 115 pounds for 16 year old players and younger; Midgets, 90 to 100 pounds and Pygmies, 90 pounds and under, the last two classes being restricted to boys 14 years or younger.

The five heaviest players of a team will determine the division in which a team will compete. There will be an entry fee of twenty five cents for each player. Prizes for winners and runner-up of each class will be the same as in previous years, namely individual basketball charms.

All teams interested in obtaining applications should write immediately to the Charlestown Boys Club 15 Green street, Charlestown 29, Massachusetts. All entries positively close on Tuesday, March 21, 1950.

## Boy's Club Wins In Garden Game

Last Tuesday evening the Arlington Boy's Club, 100 pound basketball team best a highly touted West End Boys' Club team 12 to 11.

The Arlington Club defending Midget League Champions held an early lead till the final run, Capt. Butch Aiken was high-scorer with 5 points.

Spectators at the Gardens commented on the style of play by both the Boys' Club teams and how these 100 pound teams are laying the foundation for better New England basketball in the coming years.

The Midget game was played during the halves of the Boston University Vs. Brown and Harvard Vs. Princeton games.

Besides having the thrill of playing in the Boston Garden many of the youngsters saw their first college basketball game.

Line-up of the Arlington team was:

Williamson RF	0
Aiken C	5
Davis LF	4
Parr LG	3
Macci RG	3
Smith C	0
Ridge RF	0
Taronte LF	0
Lenard LG	0
Broughton RG	0
Gagon LG	0
Frost C	0

All club members will be allowed as many guests as they wish and parents are invited to come along to watch the stage show and to enjoy the full hour of cartoons and comedies which will be shown.

## STICKS And BLADES

By Frank Mahoney

The Warren Lewis led Boston College Sextet, defeated the like Bevin's directed Boston University six, 2-1, to win the New England College Hockey championship, in a sensational penalty laden game at the Boston Arena Tuesday night.

The loss of this rubber game will not affect the Boston University trip to the N.C.A.A. playoffs in Colorado. It does however, make them the second best team in New England.

Warren Lewis was in superb form, Tuesday night, and it is reported his shoulder injury is completely healed. Butch Songin, the rugged B.C. defenseman and captain of the team, did not play in the game. His doctor advised him against playing until he gets to Colorado thus giving his back a chance to be completely cured.

The Garry line had a new addition in William Downing of Cambridge. Downing took the place of Bob Bell at right wing who had been filling in for the injured Jack Martin of Belmont. The injury that Martin received in the Dartmouth game really was felt by the second line Tuesday night. Many a B. U. goal had been scored when Garry would pick up the puck behind the opponents net and fire it out to Martin who was always in front of the nets, waiting. The change in the lines with such short notice, prevented Downing from getting the practise necessary to be on the spot when Garry fired out. The result, a loss to Boston College, 2-1. Downing did however, play an amazing game especially when his jump from the third line to the Garry line is considered.

Ike Bevin's was superb. These are the only words that could describe his performance. With a very poor defense to assist him, he made 22 saves each one a marvel. Pete (Red light) Maggio really had to work and if we called Bevin's superb, Maggio was wonderful. He kicked the rubber out of his cage 37 times thus saving the game for Boston College.

Warren Lewis skated like the wind and made it known that he was really back in shape. I did notice though that on a few occasions, especially when Warren was skating down the boards with the puck, a Boston U. man would take it away from him. This is something no one would ever have seen two months ago. He is still the spark plug and spirit of the Boston College Club, this no one can deny.

The big feature of the fray and that on which a lot of dough was bet and lost, the Riley record, still stands, only now it's called the Riley-Garry record. Jack did not score a goal or an assist last night, thus, he remains tied with the Riley boys at 78 points for a single season. It's still only Jack's sophomore year, and that is a fine record to hold in anyone's second year of College hockey.

## "Here's the Pitch"

By "Bump" Hadley

WBZ, WBZ-TV Sportscenter and  
Former Major League Pitcher

GROANING, CREAKING muscles are the order of the day on a hundred or more scattered baseball diamonds from California to Florida. The major league baseball squads, and many of the minor league squads, have started spring training in B. There may be as many as 4,000 aspiring ball players working out at the various diamonds, and that's big business. It's big business, too, to the cities and towns which play host to the spring training camps.

The host cities, of course, make money, not from the ball clubs and athletes, but from the tourists the clubs attract.

One of the biggest problems at spring training camps, always, is the condition of the diamonds. No matter how hard the greenkeepers work, or how much money the municipalities may be willing to spend, they cannot duplicate the turf conditions that the ball players will encounter up north. The soil just isn't adapted to it.

I remember when I used to go south for spring training; I could work out in the gyms up here for weeks, and arrive at training camp in really good condition. After two or three days out doors my leg muscles would tighten up and my feet get sore. After a month of pounding around on the sand and clay in the south, it's like walking on a thick carpet to get back into one of our northern ball parks.

Real Estate Board  
Will Meet Tues.

R. Panker Dudley, chairman of the Boston Real Estate Board's Group 2 Regional Meeting Committee, announced plans for another dinner meeting at the Hotel Commodore in Cambridge on Tuesday evening, March 14.

According to Mr. Dudley the Group 2 Committee is laying plans and developing an outstanding program for this meeting, the second of the year for the Cam-

bridge district.

Serving on the committee are: Mrs. Kathryn P. Sullivan, Winchester; James P. Borland, Cambridge; Walter Pennell, Arlington; Joseph Deignan, Belmont; Morton Howard, Cambridge; Fred Boyd, Concord; Mrs. Elise Clark, Lexington; Brenton Tyler, Waltham; Edward F. Wright, Watertown; Mrs. Ruth Porter, Winchester.

RED CROSS SPENT  
MILLIONS TO AID  
DISASTER VICTIMS

The Red Cross, symbol of Mercy in Action, is many things to many people.

Disaster preparedness and relief is one of its strongest contributions to aiding those in distress.

Red Cross volunteers and staff are on the scene of disaster with a prepared plan of mercy relief. They are trained over the long years of hard experience.

Last year in 330 disaster oper-

ations in the United States, 223,515 persons were aided. Expenditures in this one service totalled \$6,574,741.

Financing the disaster relief program comes once a year when Red Cross solicitors from this community and others throughout the nation collect funds from their neighbors and fellow workers to continue this course of relief action.

In Greater Boston the goal is \$1,224,746, approximately half of which is used by the National organization for relief and other services. The money collected is also used here for continuance of Red Cross mercy missions.

How does the Red Cross prepare for a disaster? By recruiting and training local volunteers to be ready. The committee into which personnel are placed include survey, warning, evacuation, medical aid and nursing, food clothing, registration and information, transportation and communication, shelter, central purchase and supply.

Integrated with local police and fire departments, National Guard, veterans posts and other organizations, the Red Cross fulfills certain responsibilities as agreed by national, state and town governments.

With more than 2,000,000 persons residing in Greater Boston, a severe disaster could occur. Fires are the most frequent rebellions toward man. Explosions are probable here. Hurricanes can happen. Tidal waves could destroy sections of some local communities.

Transportation wrecks, epidemics building collapses are all in the realm of possibility. They've happened here.

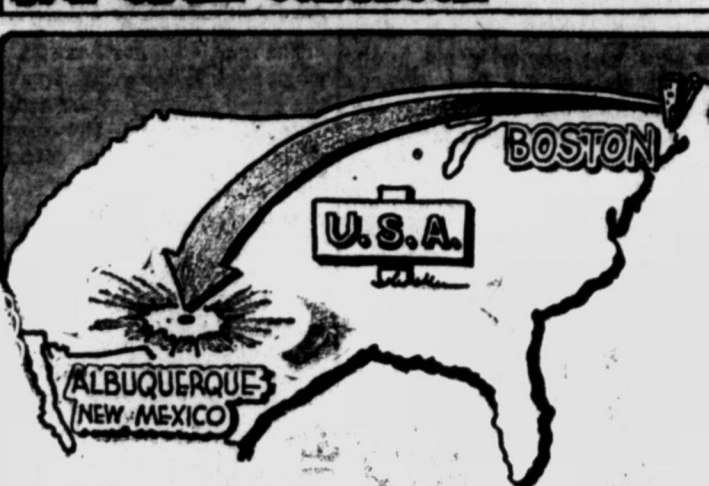

The Red Cross is prepared to aid in disasters with its mobile units: station wagons, trucks, buses, ambulances - some of which are owned by members of the volunteer committees; it's ready with personnel; prepared with its trained hospital volunteers; standing by with the resources at the Regional Blood Center.

All these functions of the Red Cross are supported by the public once a year, financially.

The local committee asks during the campaign in March, when you are approached by a solicitor, that you give and give generously.

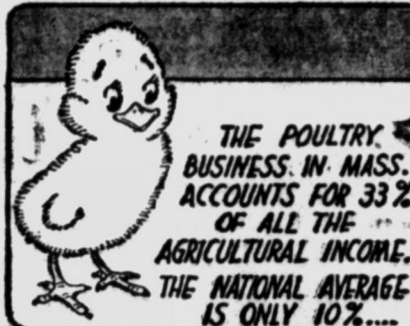

John R. Ivester of 142 Oakland ave., is attending Burdett College.

DO YOU KNOW YOUR STATE?

George W. Smith  
Named To Post On  
Museum Of Science

George Willard Smith, President of the New England Mutual Life Insurance Company, has been named Honorary Chairman of the Museum of Science Development Fund, according to an announcement of Ludlow Griscom, Chairman of the Board of Trustees.

Bradford Washburn, Director of the Museum, will act as Director of the Development Fund, Mr. Griscom said.

The Trustees have determined that a fund of \$5,130,000 will be required to complete the Museum's development plan for Science Park. This figure includes buildings, equipment and exhibits, and a partial endowment of activities.

Completion of the Museum buildings, excluding the Hall of Nature, now under construction, will require \$2,700,000. Permanent exhibits, furnishing and equipment will cost \$780,000, while \$1,700,000 is sought as partial endowment.

When Museum buildings are complete, they will include a Hall of Nature, a Hall of Science and In-

dustry, a Hall of Man and Public Health, a Planetarium and a large auditorium. The first wing of the new Museum, the Hall of Nature will be opened next winter.

Meanwhile, the Museum is carrying on its exhibits, extension and development program from Temporary Headquarters at Science Park. New Museum exhibits are on display in the exhibition hall, and the Little Planetarium is set up for star demonstrations.

Mr. Smith, in accepting his appointment as Honorary Chairman of the Development Fund, said: "Boston and New England have long needed a popular science educator center. The new Museum of Science will, in one integrated program, combine nature, science, industry, man and public health to inform all of us about the world in which we live. A visit to the Temporary Headquarters shows just how exciting this new museum is going to be, and I am honored to be able to help make the development program become a reality."

Kennedy To Speak  
At Breakfast Here

HON. JOHN F. KENNEDY

The Annual Communion Breakfast of the Immaculate Conception Parish of N. Cambridge, Somerville, and Arlington Holy Name Society will be held on Sunday March 12, after the 8 o'clock mass, at the parish school hall. Chairman of the breakfast will be Mr. Vin-

cent Hayes of Somerville. On the ticket committee are Treasurer John Callahan and Raymond McGonagle. Mr. John Cotter of Arlington will be Toastmaster. The guest speaker will be the Honorable John F. Kennedy, Congressman. Our Spiritual Director the Rev. John Broderick will open the meeting with prayer then turn it over to the President Mr. Albert Kellier of Arlington who will address the body on coming events of the Holy Name Society of the Parish. After breakfast the president will call on the toastmaster who will introduce our honored guest. The members are looking forward to meeting the Honorable John F. Kennedy.

## Announce Engagement

Mr. and Mrs. Paul S. Martin of Squantum announce the engagement of their daughter, Sarah Lou, to Seth Eames, son of Mrs. David D. Eames and the late Mr. Eames of Arlington Heights.

Mr. Eames served with the U. S. Navy during the war, and studied at Wilbraham Academy, Burdett College and M. I. T.

# Hospital Has A Baby Photo Plan

Babies born in Winchester Hospital will in the future have a very special advantage. Each one will be photographed within 48 hours of arrival in the world, and a copy of the photograph will be offered to its mother before she leaves the Hospital.

In the Winchester Hospital Nursery has been installed an automatic camera like those already in use at other hospitals in this area, under arrangement with the Hospital Picture Service of Massachusetts. The picture of each baby is taken by its nurse, who wheels its bassinet under the camera and steps on the lever operating the shutter. Thus the new citizen in a completely natural position, does himself as much justice as his youth permits. As a matter of fact, the pictures as taken with this equipment in other hospitals have been remarkably satisfactory and pleasing to the mothers and other relatives and friends. A finished print is offered

for purchase to the mother, who may accept or refuse it, as she wishes. Pictures are available in either enlarged or small sizes. Full details are given to all mothers when they are admitted to the Winchester Hospital Maternity Service.

This new facility at the Winchester Hospital has been made available through the En Ka Society's special committee on the baby photo service which will see that a print of the photograph reaches the mother promptly, and that her request for any additional prints are properly routed to receive immediate attention. En Ka is adding the service to what it is already doing for the Hospital (after careful study of similar services in operation elsewhere) because it believes that it will be welcomed by families of the newborn babies and because it will accumulate — through the percentage allowed En Ka by the Hospital Picture Service of

## AT BRIDGE DEDICATION

Among those attending the opening of the Mystic River bridge recently were Former State Representative Hallam T. Rife, Sam Femia, local dog officer and John Murphy, a member of the Board of Public Works.

Attorney Frank Ramacorti of 93 Pleasant street is a member of the Mystic Bridge Authority.

Also attending the impressive ceremonies were Raymond S. Napolitano and James F. Tattan, both linotype operators for the Arlington Press.

William J. Canty, son of Mr. and Mrs. William F. Canty of 69 North Union street is on the Dean's list at Boston College, where he is a sophomore in the College of Business Administration. This marks his third appearance on the list.

Massachusetts — further income for the Society's annual contributions to the work of Winchester Hospital. All the details of the picture-taking process will be carried through under the carefully regulated technique of the Winchester Hospital nursery.

## EXPRESSES THANKS

I would like to express my thanks and appreciation to the many friends who supported me in the recent election for Park Commissioner. Although not elected, the vote of confidence by so many was most gratifying.

Congratulations to Franklin Hurd for a successful campaign and best wishes to him for the future.

Sincerely,  
(Signed) George F. Fusco

Mr. and Mrs. John J. Casey, Jr., formerly of Arlington, have moved from their Long Island home to Tulsa, Oklahoma. Mr. Casey is an assistant to the vice-president of the American Airlines.

## Storm Cause Of Accidents Here

The two day northeaster, that whipped this town last week was the cause of many minor accidents over the week-end, the worst of which occurred at the corner of Mystic and Sachem streets.

Officer George Duggan reported Friday morning that a parked town dump truck was struck by a Chevrolet truck owned by Best and Co. of Malden.

Francis C. Donovan, 176 Franklin street, Arlington was parked on Mystic street headed north when he was struck in the rear by the Malden truck, driven by Robert Conlon, 26 Clement st., Malden.

Both men were removed to the Symmes Hospital, where Donovan complained of chest injuries. The hospital said Conlon received injuries to his left leg and knee, laceration of the mouth and abrasions of the forehead.

Mrs. Norval Bacon of 206 Appleton street, Arlington, recently visited Lawrenceville, New Jersey, where her grandson William Wood participated in a dramatic production at Lawrenceville school.

## KEENAN FIRST TO GIVE BLOOD TO RED CROSS

First to volunteer as a donor in the Red Cross drive for blood was Representative Henry E. Keenan, who announced his intention to the Committee at a recent meeting.

Representative Keenan, it is hoped, will lead a parade of 280 Arlingtonians when the Bloodmobile visits Arlington for the first time this year on March 20 and 21. According to Dr. Richard J. Moran, chairman of the campaign committee, the goal for Arlington has been set at 140 pints a day for the two day period.

The need for blood now, while not as acute as during the war, is, nevertheless, urgent. The fact was stressed by Dr. Moran when he pointed out that blood is one of the physician's mightiest life saving weapons. "Last year," he said, "200,000 pints of blood were used in Massachusetts alone. Much of this was administered right here in the town of Arlington at Symmes hospital where it was made available to patients free of charge thru the Red Cross blood program.

Whole blood, according to officials of the local drive, is a perishable product. It is good for no more than twenty-one days. Consequently the supply has to be constantly replenished.

No blood goes unused however, because once it has passed the stage of usefulness as whole blood it is processed for use as plasma or for use in serums.

People in the medical profession

locally are keenly aware of the importance of blood in their work. This was emphasized by the fact that all staff doctors, nurses and other personnel at Symmes Hospital have revealed their intention of giving blood in this drive.

While moved through purely altruistic motives they might have had in mind a report which appeared recently in one of the medical journals. An Alhambra it said, was a blood donor in his home town. Several days later he was seriously injured in an automobile accident and a transfusion was required to save his life. The only pint of blood in the hospital which was matched to his was that which he, himself, had given.

"You'd better not leave yourself wide open," warned Dr. Moran. "The best way to make sure that blood will be on hand if you need it is to make your deposit now. The Bloodmobile will be at the Central Fire Station for 1 p.m. to 7 p.m. on March 20 and 21. Make it a point to be there."

## Honored

John F. Pullo Jr., son of Mr. and Mrs. John Pullo, of 92 Grafton st., has been selected social secretary in the President's cabinet of the Student Association of the University of Miami.

A graduate of Arlington high school in 1941, Pullo is a senior at the University and a management major. He is minoring in economics.

Pullo is also the social chairman of the University Interfraternity council, and the social chairman of Lambda Chi Alpha fraternity.

**HOSPITAL REPORT—**

and the Administrator before such agreement was reached with them. The investigators of this agency have resulted in the collection of a number of accounts; but far more important, many accounts have been reported indicating the family's financial inability to meet the obligations to the hospital. Carter Business Service has recommended the write-off of these accounts as free service to worthy individuals. This has been done.

We feel that the hospital is justified in its honest efforts of collecting. It has been, and shall continue to be, our responsibility, duty and pleasure to see the patients who come to the Symmes Arlington Hospital are given proper and ade-

quate hospital care.

For this care we believe we can expect to be compensated if investigation proves the family can afford to meet the hospital expenses. Our efforts shall continue to keep costs as low as present day expenses will permit.

There have been so many individuals and organizations who have contributed time, effort and financial assistance to the hospital during 1949 it would be impossible to list them all here. Despite the knowledge that we shall overlook some deserving people we should like to pay our particular thanks to the following:

—To the Clergy of the area for their cooperative assistance during those times when the patient has been given the benefit of spiritual

contact. The Catholic, Protestant and Jewish men of the Church have given of their time and efforts at the request of the family, the patient, the physician or the hospital. —To the Woman's Aid Association of the Symmes Arlington Hospital and to its President, Mrs. Lawrence Eaton. The untiring and continued assistance by this group of women is most gratifying and helpful. Their assistance throughout the final stages of decorating of the Thompson Wing was of distinct benefit to the hospital.

—To Miss Dorothy C. Grant, R. N. Director of Nurses of the Boston Floating Hospital for her courtesy in training our present Head Nurse in Pediatrics.

—To the Grover Cronin Company of Waltham for sending their Easter Bunny to entertain our Pediatric Patients at an Easter Party held during the month of March. —To Mrs. Harold Storke for refurnishing the R.D. Lend-A-Hand Club Room.

—To the Building Fund Workers, whose names would constitute a long list, for their untiring efforts during our campaign for funds; particularly to Mr. James J. Golden and Mr. David L. Peirce who served as general chairman of the Public Campaign in their respective towns.

—To Mr. Ralph L. Jackson and Mr. James R. Craig of the Linde Air Products Company for donating their services to engineer the oxygen piping in the Thompson Wing and supervise installation and initial operation of the oxygen manifold.

—To Mr. James Rogers and Mr. Carl Fass of Kendall & Taylor Co., Architects, for their constant supervision, advice and assistance during the building program and up to the present time for their co-operative efforts in our behalf. —To McCreery & Theriault, Contractors, and Mr. George Stigoe who served as Superintendent of the Building Program, for their

conscientious efforts and cooperation in the construction of the Thompson Wing.

—To the Kiwanis Club and Boy Scouts for their efforts in clearing the brush from the hospital hill.

—To Chief Archie Bullock and the Arlington Police Department for their many assisting efforts during the year.

—To Chief Richard Tierney of the Arlington Fire Department and his various assistants for their instruction of hospital personnel in precautions and fire fighting and for their many suggestions throughout the year for this very important patient protection.

—To the Arlington and Lexington Chapters of the American Red Cross for their continued services.

—To the Arlington Girl Scouts and their capable leader, Mrs. Lee Williams, for their many hours of free services to the hospital.

—To the Brownie Scouts for their many decorations for patient trays on practically every holiday throughout 1949.

—To Mr. Ernest W. Davis, President of the Board of Trustees and members of the Executive Committee for their help, counsel and support throughout this unusually busy and trying year.

—To Scott Flowers of Arlington for Christmas Decorations.

During June the American College of Surgeons surveyed the hospital. We were fully approved. The Point Rating System scored the various departments as follows:

Maximum Points	Earned Points
Physical Plant	20
Administration	35
Medical Staff Org.	200
Medical Record Dpt.	125
Clinical Laboratory	95
X-Ray Department	50
Pharmacy	20
Nursing Service	90
Dietary Dpt.	25
Medical Dpt.	50
Surgical Dpt.	100

**UNIVERSITY THEATRE**

"Sands of Iwo Jima", the remarkable story of the Marines' greatest hour, which starts next Sunday at the University Theatre. It will rank as one of the really great war pictures of the age. Made with the complete cooperation of the U. S. Marine Corps, the film combines all of the majesty and wretchedness, the courage and cowardice, the hope, and despair and glory of war with a human tender story of a group of men, their dreams and their women. John Wayne heads the cast which includes John Agar, Adele Mara and Forrest Tucker. "Miranda", the companion film is a fast-paced English produced comedy concerning a mermaid's invasion of a correct London household.

On Wednesday, Review Day, the program includes Alfred Hitchcock's "Foreign Correspondent", co-starring Joel McCrea and Laraine Day and Bing Crosby and Madge Evans in "Pennies From Heaven."

Once in a decade there comes a motion picture which leaps right out from even among the better ones as the word is passed among moviegoers everywhere that here is a film not to be missed. Such a picture is "The Hasty Heart" which starts Thursday. Filmed in England under the direction of Vincent Sherman, it stars Ronald Reagan, Patricia Neal and Richard Todd, the English star. A highly-moving drama packed with both laughs and tears, "Hasty Heart" is the story of six soldiers in a hospital, men from many countries, who must keep a secret from one of their number, a Scot who has fallen in love with their nurse.

"The Big Wheel", the companion film starring Mickey Rooney with Thomas Mitchell, is woven around the highly competitive sport of speed auto racing, with the hair-raising climatic scenes taking place in Indianapolis during the city's famous yearly classic.

**Bloodmobile Here On March 20-21**

Arlington residents are preparing to show "Mercy in Action", March 20 and 21, when the Red Cross bloodmobile arrives here.

Dr. Richard Moran, chairman, has announced the collection of blood will be made at Arlington Central Fire Station from 1 to 7 p.m.

Registrations can be made by calling Arlington 5-6540 or 5-8675. As one of the most vital services of the Red Cross, local residents know first-hand how the blood they have donated has helped save lives not in this community only but all through the State where mobile units are collecting blood daily.

Processed at 314 Dartmouth st., Boston, site of the Red Cross Regional Blood Center, this invaluable "Gift of Life" is distributed without charges.

Dr. Moran stressed that donations are needed daily to answer the urgent pleas of doctors and hospitals for their patients.

"There is no better way to express consideration for a fellow man," Dr. Moran said, "than by donating our blood."

A large committee is at work now in the interests of the blood recruitment drive.

Many civic, fraternal, benevolent and church groups are aiding the local committee in this work "which benefits everyone in need of a product that can't be manufactured but can only come from our own goodness of heart."

**To Attend Patriot's Day Event**

Senator Leverett Saltonstall and Representative Edith Nourse Rogers have accepted an invitation by the Patriot's Day Committee to attend the 175 Anniversary celebration.

Mrs. Rogers has given her definite word that she will attend and Senator Saltonstall has said that he will do his best to be here.

**Irish Night At Crosby P.T.A.**

The Concept of Brotherhood will once more be the theme of a Crosby School P.T.A. meeting next Tuesday night at 8 o'clock. This meeting will be "Irish Night". A committee made up of P.T.A. members of Irish descent will be responsible for the program.

There will be movies in color of scenes taken in Ireland by James A. Kelly, reporter for the Boston Travler. Mr. Kelly will give a commentary with the pictures. A talk on "Brotherhood" will be given by Father Connaught O'Leary, O.F.M., of St. Anthony's Shrine on Arch st., in Boston. Folk dances in costume will be performed by pupils of the O'Neil sisters, and Mr. Ralph O'Neil will sing Irish songs. There will be refreshments and a handicrafts display. Visitors are always welcome at these meetings.

**ADULT GYM CLASSES**  
The Men's Adult Gym classes will resume activity beginning next Tuesday, March 14th, 1950 at the old gym in Arlington High School. This program affords men an opportunity to work at the gym without participating in any actual league activity. Calisthenics, basketball shooting and volley ball games are available.

Private First Class James J. Jordan has arrived at Camp McNair near Mount Fuji in Japan. He is a member of the Security Patrol there. He is the son of Mrs. Hannah Jordan of 15 Fairmont st.

### DEATHS AND FUNERALS

**THOMAS J. BURNS**

Thomas J. Burns, lifelong resident of Arlington, died Saturday night at his home at 12A Belknap street. Mr. Burns was engaged in the plumbing business in Arlington for many years.

Mr. Burns is survived by his wife Mrs. Barbara F. (Clancy) Burns; and two brothers, Andrew Burns of Somerville and Frank Burns of Arlington.

Funeral services were held Tuesday with a solemn high mass of requiem at St. Agnes church at 10 a.m. Burial took place in Mount Pleasant Cemetery, Arlington.

**MRS. ANN SEFTON**

Mrs. Ann Sefton died at her home in Arlington on Saturday. She was the wife of John F. Sefton Jr., of 30 Allen street, Arlington.

Funeral services were held on Tuesday morning, with a solemn high mass at St. Agnes church at nine a.m.

**MRS. CHARLOTTE MARSHALL**

Mrs. Charlotte A. Marshall, widow of John E. Marshall, died last Thursday. Funeral services were held at the Saville Chapel at 418 Massachusetts avenue in Arlington on Saturday afternoon at two p.m.

Mrs. Marshall is survived by Alton L. F. Marshall of Waltham. She was a former resident of Chelsea.

The former Linda Ellen Locke, Mrs. Marshall was a member of the First Parish Unitarian Church of Arlington, the Social Alliance of the church, Arlington Circle of the Florence Crittendon League, the Arlington Woman's Club, the Arlington Historical Society, and the Women's Republican Club of Boston.

**MRS. FLORENCE TURNER**

Funeral services for Mrs. Florence A. Turner, wife of Everett P. Turner, were held at the Story Chapel in Mount Auburn cemetery on Tuesday. Mrs. Turner, who made her home at 244 Pleasant street, died on Saturday.

A native of Belmont, she made her home in Arlington for the past 43 years.

Mrs. Turner was a member of the First Parish Unitarian Church.

### Rummage Sale Held Saturday

On Saturday morning, March 4th, the Jr. Philomatheia Club held its annual Rummage Sale at Intercolonial Hall, Roxbury.

Marguerite Gill of Medford and Marie Ford of Jamaica Plain, co-chairmen of this event were assisted by Jean McMahon, Barbara Foley, Patricia Casey, Rita Donovan, Mary Brumick, Mary Duffy, Elaine Hagan, Marie Hassett, Joan Sullivan, Mareline Ven'zia, Barbara DiMarzio, Winifred Heron, Katherine Murphy, Claire Sabadini, Eleanor Solone, Jean Sullivan, Frances Creedon, Jeanne Connolly, Patricia Cronin, Anne Donnelly, Kay McKena, Anne Glazier, Theresa Shiels, Anne Costello, Alvina Savagnano, Betty and Mary O'Connell.

The following members of the committee, representing various districts, who picked up rummage and use their homes as depots:

Elaine Hart, 62 Alpine street, Arlington; Margaret Gibson, 33 St. Paul street, Belmont; Nancy O'Keefe, 32 Bellamy street, Brighton; Marie Fitzgerald, 247 Lakeview avenue, Cambridge; Eileen Patterson, 30 Aulkaand street, and Shirley White, 50 Wheatland avenue, both of Dorchester; Marie Ford, 71 Orchard Hill Road, Jamaica Plain; Marguerite Gill, 4 Lewis street, Medford; Rose Harvey, 196 Brush Hill road, Milton; Marguerite Margee, 98 Central avenue, Newtonville; Margaret and Shirley Bronahan, 401 Lowell street, Newton; Marguerite Shamon, 240 Bellevue West Roxbury and Rita Coyne, 20 Leland street, Somerville.

the Alliance, and the Sowers Lend-A-Hand Society at the church.

She is survived by her husband, retired Boston trustee, a son, Edward H. Turner of Arlington; a daughter, Mrs. Richard Fisher of Winchester, and a brother, Alfred C. Hill of Belmont.

**FREDERICK B. WILTON**

Frederick B. Wilton, veteran of World War I, died at his home in Arlington Heights on Tuesday, March 7.

Funeral services will be held from his home at 131 Alpine street on Friday afternoon at two o'clock.

Mr. Wilton was a member of the William L. Harris Post American Legion, of Boston, and World War One Company F of the 104th infantry.

He survived by his wife, Mrs. Mary Rogers Wilton.

### BI-WEEKLY BRIDGE HERE NEXT TUESDAY

Court St. Agnes, Catholic Daughters of America, will hold its bi-weekly Bridge and Whist Party on Tuesday, March 14, at two o'clock at American Legion Hall.

Co-chairmen include: Mrs. Josephine O'Brien, Mrs. Mary Daley, Mrs. Mar'e Carroll, who will be assisted by Mrs. Margaret Blate, Mrs. Alice David, Mrs. Nora Hurley, Mrs. Bernadette Spencer, Mrs. Elizabeth Coleman, Miss Frances Beckoner, Mrs. Mary C. Sheehan, Miss Claire Pavey, Mrs. Pauline Norberg, Mrs. Theresa Cook, Miss Ann Powers, Miss Alice Tracy, Mrs. Catherine Coow, Miss Eileen McGrane, Mrs. Mary C. Donovan, Miss Patricia Murray Donovan, Miss Alice T. Hurley, Miss Catherine E. O'Brien, Mrs. Agnes Shuman, Mrs. Elizabeth A. Sheridan, Mrs. Mary F. Sisk, and Miss Mary Mulcahy.

### TO WED IN JUNE

Mrs. Joseph P. Spang, of Milton announces the engagement of her daughter, Miss Barbara Spang, to Dr. Paul A. Lamothe, son of Mr. and Mrs. Henry J. Lamothe of Arlington. Miss Spang was graduated from Pine Manor Junior College and the Boston School of Occupational Therapy. Dr. Lamothe was graduated from Harvard College and Tufts Medical School. He interned at the Boston City Hospital, and served two years in the U.S. Army Medical Corps. He is now completing a three year residence in medicine at Cushing Veterans Administration Hospital, Framingham.

### LOCAL SWIMMERS

On Wednesday afternoon, March 1st, a swim team of Arlington High School girls competed against Brookline High School at the municipal pool in Brookline. Arlington was defeated by a score of 28-10. These Arlington girls have been handicapped by inadequate practice facilities. They have however, been practicing at the Somerville YMCA under the leadership of Myles McNally of the Park Department. Messrs. Kay McCarthy and Marie Garrity of the High School have been helping McNally in this program. Star of the Meet was Judy Anderson who won the 25 yard back stroke and 50 yard freestyle. Eloise Jones, Helena Burke, Aurora Kasparian, June Anderson, Ann Morrill and Polly Taylor formed the nucleus of a

### Describes Day In Life Of Red Cross Volunteer Driver

A day in the life of a Red Cross driver is the story of Mrs. Gladys G. Glidden, chairman of the Motor Service for Arlington, and one of the few drivers who handle the Red Cross Ambulance and the heavy truck.

Mrs. Glidden has a Boston Assistant with the ambulance, and two men to handle heavy parcels for first aid courses with the heavy truck.

Her story follows:

"I jumped out of bed at 7 a.m. Scurried around and left the house at 7:45. Picked up a patient in Arlington and delivered her at the school for Crippled Children in Boston. From there I went to the Irvington Garage and left the Station Wagon, taking the Red Cross Ambulance and started back to Arlington, to get a very lovely young patient to be brought into the Children's Hospital. At the patients home I had to contact the Arlington Police, to help us carry out the patient to the car. (And here and now I want to thank the Police for their wonderful help, without them we could never take care of our Ambulatory patients). We delivered her to the Children's Hospital, rushed down to the lunch room and grabbed a bite to eat. From there we went out to Everett to pick up another patient and delivered her to the Mass. General Hospital. Leaving her for treatment, we hurried over to the Children's Hospital and our Arlington patient was ready to be brought home. After a safe delivery home, back we drove to Mass. General Hospital to get our other patient and deliver her back to her home in Everett. Now back to the Boston Garage, leaving the Ambulance and driving the Arlington Station Wagon to take the little girl home, benefitted by her day in school.

"Back into my house at 5 p.m. very tired, but knowing that two invalids are a little more comfortable tonight from the effort on our part."

Arlington has two Station Wagons, the one purchased in Nov. strong Arlington team. A return Meet will be held in the near future.

## Money can't buy a laugh like this...but it helps!

The important thing is—the outside world remembers. Your way of saying this is through the Red Cross worker who every day visits military as well as veterans' hospitals throughout the country.

The Red Cross provides the magic that makes the best of medical care even more effective—a friendly face, a pleasant word, a new book to read.

These are little things, yes, but mighty big things, too—especially when you've been in a hospital for five years, as many have. Money alone can't buy the cheering effect of a Red Cross worker's visit. But money does help to make this visit possible.

During the next 365 days, your Red Cross contribution says, "Thanks for the job you did—I haven't forgotten."

You, too, can help through Your RED CROSS

## GIVE NOW!
